Mr. G. Robert Lee  
Fauquier County Administrator

Dear Mr. Lee:

The July 1, 1998, Regional Jail Agreement contains a provision (Paragraph 9) authorizing the Jail Superintendent to reject or return any prisoner to Fauquier County for good cause, to include, without limitation, medical or behavior problems.

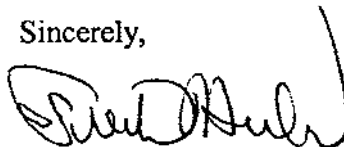

In May 2002, a Jail Board Committee met to discuss a growth analysis prepared by staff, which described inmate population and cost increases. The Committee was also asked to set parameters for the rejection clause of the Regional Jail Agreement to determine if it should be invoked to regulate or alleviate overcrowding. It was the consensus of the Committee that Fauquier County is a full and equal partner in the Agreement and that the rejection clause should be eliminated. The Jail Board adopted that recommendation on June 25, 2002.

Counsel for the Jail Board prepared an Addendum to the Regional Jail Agreement, which eliminates paragraph 9. I am requesting that it be presented to the governing bodies of each of the four participating jurisdictions for consideration.

If the Addendum is approved, I will circulate four copies to be executed and each jurisdiction will be provided with a fully executed copy.

Thank you for your assistance in this matter. If you would like me to be present during discussion of this matter, please contact me.

Sincerely,

Fred D. Hildebrand
